Catawba College Men's Basketball would like to inform you of our upcoming Elite Camps! We have received tons of requests for Elite Camps and we are now running THREE sessions on May 26th, August 4th, and August 5th, from 1:00-5:00 PM.

Our Elite Camps will be run by our coaching staff and will feature drills and skill work that will help make you a better overall basketball player and will be followed by a series of games. Our coaching staff has experience in all levels of basketball from the professional ranks, Division 1,2, and 3, JUCO, and elite level AAU and Prep School programs. Our Elite Camps are for 9th, 10th, 11th, and 12th (High School Division) graders. Our Elite Camps cost \$60 (After May 1st) to attend. Cash, check, and credit cards are all acceptable forms of payment!

Our Elite Camps are a great way to improve your skills but to also learn what it takes to be a better high school and potentially college basketball player. Over the past three years, Coach Perron has signed at least one player a year to a full scholarship that we have discovered at our Elite Camps.

If you have any questions about our Elite Camps and/or Catawba College, please don't hesitate to ask. We are limiting our Elite Camps to the first 100 participants per session and we anticipate spots filling up fast like last year.

Go Catawba Indians!
